

Dear Sisters,

We would like to share with all of you that today, April 18, 2017, the **Bexar County Commissioners Court** recognized and commended the Congregation of the **Sisters of Charity of the Incarnate Word** for its many years of dedicated service to Bexar County and beyond.

Sister Margaret Snyder was commissioned to give the opening prayer and represented our Congregation during the ceremony of acceptance of the recognition.

We are thankful for the recognition and pray to be able to continue being the hands of Jesus in the world today.

**SISTERS OF CHARITY OF
THE INCARNATE WORD**
