# Residential Experience

Living on campus significantly enhances your college experience. Studies show that students who live on campus are more likely to graduate on time and have higher GPAs compared to their off-campus peers. Making a home-away-from-home fosters a strong sense of community, provides easy access to campus resources, and supports academic and personal growth through diverse programs and events.

## Focused Learning & Growth System

FLAGS is the model developed by the University of the Incarnate Word where our students have opportunities to explore the Five Mission Tenets (Innovation, Faith, Truth, Service, & Education, + Engagement)

- **Bulletin Boards:** Themed boards with educational components
- **Intentional Interactions:** Personal connection with RA's
- **Community Gatherings:** Bi-weekly "sense of belonging" groups
- **Got-to-Go's:** RA's bringing students to events on campus
- **Program of Intentions:** RA's hosting themed interactive programs
- **Annual Traditions:** Large-scale reoccurring events to look forward to
- **Cardinal Corner:** Monthly newsletter about resources & updates
- **Questions to Ponder:** Thoughtful inquiry designed for self reflection
