HandlewithCare@Gilsbar.com

HEALTH ASSESSMENT

After enrollment, a Handle with Care clinician will call you to complete a brief maternity health assessment to determine the appropriate educational material to send you.

FREE GIFT

Upon completion of the health assessment, you will receive a welcome gift and other educational materials to help you throughout your pregnancy.

Handle with Care Cooling Scarf

Stay cool and receive this gift if you enroll during your first trimester (12 weeks).

The What to Expect Pregnancy Journal & Organizer

Stay on track throughout your pregnancy and receive this gift if you enroll during your first trimester (12 weeks).

Insulated Bottle Cooler

For the on-the-go mom – As a thank you for participating in the program, you'll receive this gift after your baby arrives!
