SPECIALTY PRODUCTS

Maxor Specialty is the exclusive provider of specialty products for your plan. The most common specialty products are listed on this sheet. If you or a family member are currently taking any of these medications, you will need to contact Maxor Specialty for future refills, unless designated as limited distribution.

Maxor Specialty can be contacted at 1-866-Maxor-Rx (866-629-6779). To simplify the process, please have your prescription label close by when you call. Maxor Specialty will contact your provider to have your prescription transferred. If you have questions concerning a medication, please contact Maxor Specialty. Some drugs listed may not be covered under your prescription benefit. Please refer to your prescription drug benefit coverage. All brand and generic formulations of the drugs listed are considered specialty, unless otherwise noted.

YOUR PLAN REQUIRES YOU OBTAIN THESE DRUGS THROUGH MAXOR SPECIALTY, UNLESS OTHERWISE SPECIFIED.
