Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$1,000/self only \$1,000/individual \$2,000/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes, preventive services (excluding contraceptives), services paid at no charge, covered charges billed by the Christus Santa Rosa Health System (including facilities, physician groups, and ancillary providers), and charges eligible to be paid under the plan's Health Reimbursement Account (HRA).	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	Yes. \$200 for failure to precertify inpatient stays and organ transplants.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan ?	\$1,000/self only \$1,000/individual \$2,000/family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit ?	Premiums , balance billing charges (unless balance billing is prohibited), health care this plan doesn't cover, prescription drug brand name penalties, prescription drug third-party & manufacturer coupons or rebates, and penalties for failure to obtain pre-certification for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Not Applicable	This plan does not use a provider network . You can receive covered services from any provider .
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
