

Welcome to the Hive

Aither Health: The Hive Services

The Hive offers a high-touch, white-glove support system that brings clarity and support to healthcare, guiding members through complex decisions with ease. The Hive combines member advocacy, data-driven insights, and proactive cost management, delivering a seamless experience for self-funded clients.

With dedicated member accuracy, The Hive provides:

Personalized Support

Assisting members in locating the best providers, specialists, and facilities.

Cost Optimization

Directing members to cost-effective options, including freestanding facilities and preferred providers.

Comprehensive Coordination

Scheduling care, managing referrals, and addressing care gaps proactively.
