

APPENDIX 5 - STUDENT EMPLOYMENT HANDBOOK

(Revised by the Director of Human Resources, 07/15/15; Revised 01/01/2019)

Introduction

This handbook contains information regarding Student Employment at the University of the Incarnate Word. Student employees are responsible for adhering to the policies set forth in this handbook. Student Employment is employment at-will. Information within this handbook is subject to change without notice.

Mission

(Endorsed by the Board, 12/5/14; approved by the Congregation, 2/5/15)

The first Sisters of Charity of the Incarnate Word, three young French women motivated by the love of God and their recognition of God's presence in each person, came to San Antonio in 1869 to minister to the sick and the poor. Their spirit of Christian service is perpetuated in the University of the Incarnate Word primarily through teaching and scholarship, encompassing research and artistic expression. Inspired by Judeo-Christian values, the Catholic Intellectual Tradition, and Catholic Social Teaching, the University of the Incarnate Word aims to educate men and women who will become concerned and enlightened citizens within the global community.

The University of the Incarnate Word is committed to educational excellence in a context of faith in Jesus Christ, the Incarnate Word of God. Thus, through a liberal education the university cultivates the development of the whole person and values of life-long learning. To that end, faculty and students support each other in the search for and communication of truth, thoughtful innovation, care of the environment, community service, and social justice.

The University of the Incarnate Word is a Catholic institution that welcomes to its community persons of diverse backgrounds, in the belief that their respectful interaction advances the discovery of truth, mutual understanding, self-realization, and the common good.

Number of Hours Students Can Work

(Approved by Executive Council, 7/15/15)

1. Undergraduate Student Employees

Students employed as a student assistant and work study, inclusive of US Citizens, Permanent Residents of the US, and International Students (F-1 and J-1) may work up to 20 hours per week from August 16 through May 15. Student employees may work up to 40 hours per week during the summer break, from May 16 – Aug 15.

Employment is limited to one department at a time.

Student employees are paid on an hourly basis and hours worked must be entered into the Banner Web-Time Entry System.

SGA and CAB student officers may work an additional five (5) hours per week in their student leadership role. This may be combined with one other student position for a maximum of 25 worked hours per week.

2. Graduate Student Employees

Graduate student employees (referred to as Graduate Assistant or GA) may work part-time up to 25 hours per week in one department or in limited cases may work as a Regular GA up to 40 hours per week. All GA's may work up to 40 hours per week during the summer break, from May 16 – Aug 15. GA's may be compensated in the form of hourly pay or stipend, housing assistance, and/or tuition benefits.

- Part-time Graduate Assistants may work up to 25 hours per week and may be paid via stipend or hourly assignment. Compensation may be in the form of tuition benefits, housing, and/or salary.
- Regular Graduate Assistants may work up to 40 hours per week. All regular graduate student employees receive 18 credit hours of tuition benefits per year, a stipend, and the University will subsidize the cost of the employee health insurance to ensure affordability. Regular GA's must enroll as a full time student in the fall semester. Employment in this category is limited to two years.

3. Payment Method for Wages

- Stipend: If the GA is performing professional duties in the field of their studies, i.e., research assistant, athletic trainer, teaching assistant, etc., they may be paid via stipend.

- Hourly: If the GA is working in a non-exempt position, i.e., clerk, laborer, etc., they must be paid on an hourly basis.

International Students

International students with an F1 or J1 Visa, you may apply for student employment. International students in F-1 visa status are generally permitted to work part-time on the premises of the school that issued their currently valid I-20, while they are attending that school and maintaining their F-1 status. Employment is “incident to status” and does not require authorization. International students in J-1 status must be in good standing to be eligible for on-campus employment and need to be authorized in advance and in writing by the Director or Assistant Director of the International Student and Scholar Services.

In order to work at the University, you must first apply for a Social Security Number. It will be necessary to visit the Social Security office with a letter from the Director of International Student and Scholar Services, and apply for a Social Security card. You will immediately receive a letter from Social Security stating that you have applied for a Social Security Number. As soon the Social Security card is received in the mail, please return to Human Resources with your Social Security card.

Mandatory Paperwork

The following paperwork is required (unless otherwise noted) to be completed **BEFORE** student employees may start work. The paperwork includes the Form I-9, W-4, Background Check and Direct Deposit (if desired). Please read the following information regarding what documents are needed to complete these forms.

A. Form I-9:

Federal law requires that every employer in the United States check the legal status of all employees, including student employees. Students are required to complete the Form I-9 and provide the documentation that is described on the back of the Form I-9 within 3 days of being hired.

There are three categories of documents that are accepted for the Form I-9. From List A, the most common form of identification is a **valid** unexpired United States Passport. If you choose not to use a form of identification from List A, you must have two forms of identification, one from List B and one from List C. The most common form of identification from List B is a **valid** Driver’s License or a Military ID card. The most common form of identification from List C is a Social Security card or an original or certified birth certificate.

Copies of these forms of identification cannot be accepted. **ORIGINAL** documents must be presented to Human Resources.

No student will be allowed to start work, regardless of the department’s need, until they have completed the Form I-9 and presented all of their documentation in person.

B. W-4 Form:

Each student is required by the Internal Revenue Service (IRS) to complete a W-4 form indicating the number of withholding allowances he or she wishes to claim. This form does not

need to be updated each year. It should only be updated if the student wishes to change the amount of allowances they want withheld or if they have a change of address. The W-4 form will be kept in the Payroll Office.

A Few Tips for Filling out the W-4:

- use your permanent address (not your campus address)
- make sure to write in your social security number in box number 2
- make sure to check off your marital status in box number 3
- make sure to write in the number of allowances in box number 5:

With “0” allowances claimed, your take-home pay may be slightly lower, but you will either owe less money at the end of the tax year, or you will receive more money back on your tax return, as more money was withheld through the year.

With “1” allowance, you can earn more on each paycheck, but you may owe more money or receive a smaller tax refund at the end of the tax year.

Any pay that you receive as a student employee is considered taxable income, so you will receive a W-2 Form around February each year. You will need this form to complete your taxes. Please note that your W-2 Form will be mailed to the address you have provided on the W-4.

C. Background Checks

Depending on the type of employment, a background check may be required before starting to work. A successful background check will be needed if the duties and purpose of the position is to directly serve students or children. By way of example, typical positions that require a successful background check include RA’s, tutors, mentors, and kids’ camp counselors. The background check will be completed in the Human Resource Office and your supervisor will be notified when the background check is clear.

D. Direct Deposit

Students are encouraged to enroll in Direct Deposit. A voided check or a Direct Deposit Authorization may be provided to Human Resources or directly to Payroll. A deposit slip is not sufficient. The Direct Deposit authorization forms are located in Human Resources.

Harassment

(Approved by the Executive Council and Board of Trustees, 3/16/16)

For the complete policy applicable to student employment, please see Chapter 9 of the Employee Handbook located on the Human Resources webpage at www.uiw.edu/hr. Summarily, please be aware as follows:

- **Harassment-Free Work and Learning Environment**

The University promotes a harassment free work environment. Employment policies including, but not limited to the Harassment Free Work and Learning Policy contained in Chapter 9 of the Employee Handbook protecting employees from unlawful harassment is applicable to all student employees.

- **Policy Against Sexual Harassment**

Sexual harassment is a violation of Title VII of the 1964 Civil Rights Act and should not be tolerated by either students or staff. Sexual harassment in the workplace is defined in the following way:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission is made either explicitly or implicitly a condition of an individual's employment, or educational experience;
2. Submission to or rejection of the overture is used as the basis for employment decisions or academic decision that affect the individual; or
3. The conduct has the purpose or effect of interfering unreasonably with an individual's work performance, academic performance, participation in extracurricular activities or creating an intimidating, hostile, or offensive working environment.

The supervisor should deal with observed or reported incidences of sexual harassment immediately. If you are unsure of what constitutes sexual harassment or if you cannot discuss the matter with your supervisor, call the Office of Human Resources at 829-6019.

Additional information can be found at

<http://www.uiw.edu/campuslife/documents/uiwstudenthandbook2014.pdf>

- **Sexual Misconduct Policy**

The purpose of the Sexual Misconduct Policy is to establish a work, educational and living environment at UIW that is free from sexual misconduct, including sex and gender discrimination; sexual and sex and gender based harassment; sexual assault and rape; sexual exploitation; stalking, relationship violence (including domestic and dating violence), and retaliation, through guidelines that promote and foster safe campus climate.

Sexual misconduct is prohibited by University policy and state and federal law, including Title IX and the Violence Against Women Act (VAWA), as amended, S. 47 – 113th Congress; Violence Against Women Reauthorization Act of 2013. Title IX and VAWA rights and responsibilities apply to students, faculty, staff, visitors, third parties and other community members.

Resources to address sexual misconduct are available at www.uiw.edu/titleix.

Questions about the Sexual Misconduct Policy may be sent or referred to the Title IX and Compliance Coordinator.

Getting Paid

A Payroll Authorization form is submitted by the supervisor each semester. No student employee may begin working until he/she is set up in Banner Web-Time Entry. All student employees must clock in and out in the Web-Time Entry system. Instructions on the use of Web-Time Entry are found at <http://sites.uiw.edu/payroll/web-time-entry-videos/>. It is the student's responsibility to accurately clock in and out.

Sick Time, Vacations and Holidays

Student employees are not eligible for any University benefits. They do not accrue sick or vacation time.

Conduct

It is vital that student employees take their jobs seriously. Student employees are expected to:

- Arrive on Time: It is vital that you arrive to work on time. Excessive tardiness and/or unexcused absences may result in disciplinary actions. Your supervisor is counting on you to show up for your scheduled shift on time. If you are going to be late for any reason, make sure to call your supervisor to let them know.
- Appropriate Dress: Although the University does not have a dress code, please keep in mind that while you are at work, you are representing the University. Please do not wear cut-offs, tank tops, clothing that has profanity on it, etc. Depending on where you work, you may need to wear safety conscious clothing (facilities, grounds).
- Plan on Working Your Entire Shift: Do not intend on doing any homework or studying during your shift. Your employer will have plenty of work for you to do. If for any reason you have some down time, it is up to your supervisor as to whether you may use that time to do some studying.
- Time Off: If for any reason you need a day off, make sure that you have the time off approved by your supervisor first. Supervisors are aware that you are a student first. If you need time off for something that is school related, be honest and let them know what is going on.
- Issues: If you are having any problems with your job, speak to your supervisor. If you are unable to speak to your supervisor, you may speak to someone in Human Resources.
- Phone and Email Etiquette: Please keep in mind the way in which you answer the phone while you are working.
 - o Answering the Telephone: Please be very courteous to anyone you speak to on the phone with. Remember that other people around you can hear you on the phone, so even if you know the person who is calling you, remember to remain professional.
 - o Email: If you compose emails for the department you work in, please remember to be professional in your writing. Check for spelling and proper grammar usage.
 - o Internet Usage: You are not being paid to surf the internet. You are not permitted to be on Facebook, MySpace, Twitter or any other social site while you are at work.
