CARDINAL BREAKING NEWS!

Improving the Cardinal Nest

Student Government Association's new executive board for the 2024-2025 school year was pleased to meet everyone that attended the first Open Forum of the year! We appreciate you taking the time to share your concerns. In effort to create the best experience for every student, there are four priorities that we want to make sure to work toward as members of SGA.

1. **Endowment Growth**- Aim to double the endowment in the next 10 years.

2. **Student Support**- Increase high-value student experiences like study abroad and internships.

3- **Campus Enhancements**- Improve infrastructure, including facilities and business processes.

4. **Catholic Identity**- Strengthen UIW's spiritual heritage and mission in all programs.
