

## UIW FACULTY-LED STUDY ABROAD GRANT APPLICATION

**Purpose: The Faculty-Led Study Abroad Grant Fund was established to provide partial support for faculty-led Study Abroad programs. The goal is to encourage faculty to incorporate a study abroad component to their course(s). Applications may propose budgets for air travel, accommodations, and other related expenses. This grant is not intended for travel to conferences. Full time faculty may apply for award(s) limited to a combined total of up to \$6,000.**

**TIMELINE:** Given the time frame set forth by the yearly budget and nature of faculty-led programs, there are no set deadlines. Proposals will be reviewed as they are submitted. It is strongly recommended that faculty verify with the Study Abroad Office, **before beginning the application process**, to determine whether the grant, or a portion of the grant, has been awarded during the fiscal year. If no proposal is selected by the committee, the grant will not be awarded that year.
