

# TRIO NEWSLETTER SENIOR EDITION

*TRIO would like to congratulate all the Seniors in the graduating classes of Fall 2020 and Spring 2021!*

**Ashley Le**

*BS Vision Science*

**"The best thing about TRiO is how nice everyone is, the environment was comfortable and helpful with tutoring to help us get better. In five years, I see myself being an optometrist opening my own business or working at a hospital"**

**Chandler Ransfer**

*BS Engineering: Management*

**"The best thing about TRiO is meeting new people and having someone to help me with school. I plan to continue graduate school at Louisiana State."**

**Amanda Medellin**

*BS Nursing*

**"The best thing about TRiO was having a home away from home and being able to talk to someone at any time. Graduating with my Nursing degree makes my family, especially my mom proud to see me follow my dreams."**

**Victoria Macoy**

*BA Criminal Justice*

**"The best thing about TRiO is the support and the organization overall."**

**Luis Mesa**

*BFA 3D Animation and Game Design*

**"Graduating means a lot to my family, because most of my family does not have a higher level of education. Before my grandma passed away, she would always tell me how proud she was of me being the first in the family to accomplish such a level of education."**

## 2020 FALL GRADS

**Jaime Castro**
