

Smarthinking Individual Online Tutoring Appointments

UIW is offering individual online tutoring appointments through Smarthinking to help our undergraduate students have a strong finish to the spring semester. Smarthinking tutoring is available 24x7. You can find help in any of the following areas:

Accounting (principles of accounting, intermediate accounting, auditing)

Economics (macro- and microeconomics)

Finance (introductory finance)

Mathematics (algebra, geometry, statistics, calculus)

Biology (general biology, anatomy and physiology, cell biology, genetics)

Chemistry (chemical principles, organic chemistry)

Physics

Spanish

Writing

To set up tutoring through Smarthinking:

- 1) Go to Blackboard and select the Organizations tab.
- 2) Type "Tutoring Resources" in the search bar.
- 3) Select Tutoring Resources from the results to open the page. Once the page is open, click the enroll button.
- 4) Once enrolled, navigate to the Get Tutoring button. Open the "Set up individual tutoring through Smarthinking" folder and select the Smarthinking link.
- 5) Select your subject and schedule your preferred time.
