SPECIAL NOTICE
Drop-in Tutoring: Spring 2020 Semester

UIW undergraduate students seeking assistance with **science and business** courses can access Tutoring Services tutors online, through Blackboard. To do so, students will need to enroll on our Blackboard site. Once enrolled, they will then be able to access the page and view when tutors are available on Zoom for their specific course(s). Below are instructions for self-registering to the Blackboard page and viewing tutor availability:

1. In Blackboard, select the Organizations tab.
2. Type "Tutoring Resources" in the search bar.
3. Select Tutoring Resources from the results to open the page. Once the page is open, click the enroll button.
4. Once enrolled, navigate to the GET TUTORING page.

There, you will find folders containing a list of courses and times the tutors are available to help with them. Simply follow the Zoom link for your course during the scheduled time, and a tutor will be there to assist.

Please note that all times are Central Standard Time (GMT-5)
