

SPECIAL NOTICE
Writing Support: Fall 2020

The Writing and Learning Center is pleased to offer writing consultations in a virtual format. To schedule an appointment, undergraduate students can join our [Virtual Tutoring Center](#) (on Zoom) during our tutoring hours, call us at (210) 829-3870, or email us at wlc@uiwtx.edu.

All sessions will take place in a breakout room in our Virtual Tutoring Center. Simply join the main room just before your session, and we will check you in and connect you with the tutor.

How does writing tutoring work on Zoom?

Once connected to the session, students can discuss their assignment with the tutor and use the screen share feature to show any relevant materials: instructions, essay draft, notes, outline, etc. Equipped with this information, the tutor can ask questions and provide feedback, just as they would in a typical in-person meeting.

Please don't hesitate to reach out to us with any questions or concerns. See you online!
